MEMORANDUM FOR HEADS OF EXECUTIVE DEPARTMENTS, ESTABLISHMENTS,
AND INDEPENDENT AGENCIES

FROM:

WENDY L. GRAMM *Wendy L. Gramm*
ADMINISTRATOR FOR INFORMATION
AND REGULATORY AFFAIRS

SUBJECT: Unified Agenda of Federal Regulations

Attached is a copy of the **Unified Agenda of Federal Regulations** that was published in the **Federal Register** on October 29, 1985. This document provides a comprehensive overview of the pending Federal rulemaking activities of all Federal agencies that publish regulatory agendas.

For this edition of the Agenda, we created a subject index of the information to help readers locate entries from various agencies that may affect a particular area of interest. The numbers in the index refer to the sequence numbers that appear before the title of each entry in the Agenda. The index appears at the end of the Agenda.

As you know, under Executive Order No. 12498, OMB publishes the **Regulatory Program of the United States Government**, which states the Administration's overall regulatory policies and describes in more detail the most significant regulatory actions planned by the Federal agencies participating in the Program. Many of the regulatory actions described more fully in the Program are included in this Agenda.

We plan to coordinate more closely the Unified Agenda and the Regulatory Program, and we will soon issue guidelines for the 1986 Program year.

I thank you and your staffs for your cooperation in producing this edition of the Agenda.
